

Keeping Kids Safe on Roblox

Parental Controls

Parents can lock all settings using a 4-digit pin

Account Restrictions

Parents can limit available games to Roblox's verified list of appropriate experiences

View History

Parents can review chat, message and experience histories

Report and Block

Parents and children can report inappropriate content experiences, advertisements, and chat messages or disallow user contact

Communication

Parents can limit who can interact with their children

Invitations

Parents can determine who can invite children to private servers within the game

Co-Play

Parents can control who can join their children in shared experiences
